Identification Number: C00005173

Reference: October Monthly Report (9/1/04-9/30/04)

Dear Mr. Haley:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(c) prohibit a state, district or local party committee (combined) from receiving any contribution from a person or non-multicandidate political committee in excess of \$10,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion

of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Your calculations for Lines 1(b), 1(c), 2, 3, 8, 9 and 11, Column A on the Schedule L Aggregation Page for the Levin account appear to be incorrect. Please amend your report to disclose the corrected totals.

-The Detailed Summary Page, on Line 18(a), Column A of your 2004 August, September and October Monthly Reports, discloses \$56,028.74 in transfers from the non-federal account for allocated activity for the reporting period. However, Line 21 (a)(ii), Column A combined discloses \$46,615.48 as the non-federal share for allocated activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for allocated activity, transfers for allocated activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.6(e)(2) and 106.7(f)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "generic mailing costs," "generic postage," and "postage gen mailing." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Generic campaign activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. In addition, 11 CFR §100.25 defines Generic campaign activity as a public communication that promotes or opposes a political party and does not promote or oppose a clearly identified Federal candidate or non-Federal candidate.

Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or allocated between federal and Levin funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-Please amend your report by providing the purpose for each disbursement itemized on Schedule(s) H4 supporting Line(s) 21(a).

-Schedule(s) B supporting Line(s) 30(b) of the Detailed Summary Page discloses \$15,149.17 in disbursements for "Kerry YD Signs, Stickers." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from

transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate.

Schedule A supporting Line 12 discloses a transfer(s)-in from the Democratic National Committee. Schedule H4 supporting Line 21(a) reflects payments for "generic t-shirts". Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). **Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.**
